## From PRESIDENT'S DESK

After accomplishing a memorable journey of 33 glorious years and crossing several milestones, IPS Academy ventured into the Ujjain-Dewas-Indore belt in 2019 with a mission to fulfill the long-awaited needs of the region for quality education, optimally blended with the latest technology, requisite skills, and contemporary knowledge embedded in regional culture and heritage.

I am confident that with its rich repertoire of experience, achievements, and amenities, the IPS Academy North Campus will surely be able to serve the regional populace and strive for the upliftment and betterment of the society.

## MILESTONE OF EXCELLENCE

IPS Academy, a premier institution of Central India, has become a celebrated brand name and has carved a unique identity for itself as a center of excellence in the entire country due to a variety of reasons. Under the visionary leadership of its President Ar. Achal Choudhary, an alumnus of IIT Kharagpur, who has been nominated as one of the Top 100 IITians for contributing towards the development of the nation, the Academy has grown by leaps and bounds.

The Academy, with 16 colleges, 76 courses, 500+ teachers, and 10,000+ students, boasts a unique and marvelous infrastructure spread over 58 acres of lush green terrain. The various institutes, housed in separate aesthetically designed buildings, have state-of-the-art infrastructure with well-designed classrooms, laboratories, libraries, and qualified, skilled, and experienced faculties.

At IPS Academy, it has been our endeavor to provide education that leads to the multifaceted development of students — their innate talent, intellectual and physical capabilities, and overall personality. It imbibes in them cultural and national spirit, making them responsible global citizens and conscientious human beings.

Theory sessions are suitably supplemented with experiential learning and practical field experience so that students can adapt themselves to face the challenges of competition and globalization and rise to the expectations of the corporate world.

Continuous and rigorous training & development hone the communication, leadership, and entrepreneurial skills of students, ensuring creation of quality job offers as well as promising entrepreneurs.

The presence of IPS Alumni in every nook and corner of the globe bears testimony to our triumph.

Our next step is to establish a global university where Indian spirituality, ethics, and values meet Western science & technology, ushering in a new dawn for humanity.
